

RED ROSE CONVENT SCHOOL, GADARPUR

FOUR HOUSES

"Each child is a unique individual with their own distinct abilities, interests, aspirations, and expectations. To foster self-confidence, self-reliance, and self-discipline, and to help them realize their full potential, our students are divided into four houses, each identified by a distinct color: Yellow, Blue, Red, and Green. This house system encourages healthy competition, teamwork, and camaraderie, allowing our students to grow and flourish in a supportive environment.
